IF ONLY (Justin Lacroix)

No mind
Just reeling away some time
Standing in line
Dude can't seem to make up his mind

Like Neil I'm getting old
My coffee's getting cold
This fly's slowly driving me crazy
Still waiting on you to ask me

Can you get me out of here
Can you get me out of here
Put me in your pocket
Let's kick it
If only you'd ask me

In the meantime
I'll keep casting out the line
Singing out my heart
For the folks in the shipyard

When you coming' round
I want to hear you shake the ground
I want to feel heavy
Like the whole world's inside me

Can you get me out of here
Can you get me out of here
Put me in your pocket
Let's kick it, ooooh
If only you asked me
If only...
